REPORT FOR 1929.

THE COMMITTEE has pleasure in presenting the 59th Annual Report and Balance Sheet to the Subscribers.

Three hundred and eighty-two patients were admitted, as against 393 in 1928. Of these, 296 were discharged as recovered or cured, 23 as condition improved, seven as condition relieved, two admitted for X-Ray examination only, two for examination only. Eight were admitted but no treatment received, three infants admitted with parents, 10 were transferred, 18 died, and 13 remained in the Hospital at the close of the year.

Two hundred and forty-two operations were performed in the Theatre, including 54 major operations and 142 minor operations in the Surgical Dressing Room.

The number of days the beds were occupied totalled 5,950, as against 5,165 in 1928.

The detention rate per patient was 15.5 days, and the number of patients to beds 15.2.

Finance.—On the General Account Receipts, including the balance of £689 1s. 8d. brought forward from 1928, amount to £3,336 17s. 6d. Expenditure to £3,198 16s. 7d., leaving a credit balance of £138 0s. 11d. on this account.

Of the Special Accounts, the X-Ray shows a balance of £163 18s. 5d., and the Building of £37 9s. 7d.

Total cost of maintenance of patients :—

	£	s.	d.	
1925—7/7 per patient per day, or	2	11	11	per week.
1926—9/5 „ „ „ „ „	3	5	11	„ „
1927—8/8 „ „ „ „ „	3	0	8	„ „
1928—8/2 „ „ „ „ „	2	17	2	„ „
1929—8/- „ „ „ „ „	2	16	0	„ „

The cost of food only, including the Staff of 12 :

	s.	d.	
1925—1/2 per head per day, or	8	2	per week.
1926—1/4½ „ „ „ „	9	7½	„ „
1927—1/1½ „ „ „ „	7	10½	„ „
1928—1/0½ „ „ „ „	7	3½	„ „
1929—1/4¾ „ „ „ „	9	9¼	„ „

Included in these figures, for the first time this year, is the approximate cost of the gifts of food, and other articles received during the year, chiefly of food, accounting for the increase of 4¼d. per head per day over that of 1928.

During the year the re-painting of the remainder of the wards, rooms, and passages not done in 1928 was carried out, together with the whole of the outside wood-work.

For many years, to those intimately associated with the welfare of the Hospital, it has been a matter of great concern that the buildings now cover the whole of the original site, and should any addition become necessary in the future, more land would have to be obtained. The only property which would be of practical use to the Hospital, is the garden and cottage adjoining and extending eastward towards The Spain. On several occasions efforts have been made to acquire this, without success ; and it was felt that another should be made ; this eventually proved successful, and

the Committee are satisfied that it forms a very valuable addition to the Hospital, and thank Mr. Mackarness and Mr. Jacobs for their services in negotiating for the purchase, and their kindness in waving their respective fees to the Hospital.

In the death of Mr. F. W. Russell the Hospital has lost a very valued friend and benefactor. Soon after his coming to Petersfield in 1893 he became interested in the Hospital. The Saturday and Sunday Hospital Fund had been inaugurated some years before by the Friendly Societies, and at a later period was joined by the Working Men's Association, in their endeavour to raise annually a sum of money for the Hospital. Mr. Russell from this time took a leading part in organising and extending the scope of the work, becoming Chairman of their Committee and remaining so up to the time of his death. Year after year his one great ambition was to eclipse each year the success of the previous year, and in this he was nearly always successful; raising the amount of about £50 in those early days to the record sum of £390 in 1928. Needless to say, the results of this well-organised voluntary effort have in many years saved the Hospital from debt, and Mr. Russell always infused his fellow-helpers with his own energy and hard work in this good cause, and they never failed him. By the good result of the Fund's effort during 1929, in handing over the sum of £295, the Committee, under Mr. W. H. Wilkins, is determined to carry on Mr. Russell's good work, and Mr. W. H. Wilkins, who has worked for the Fund for many years, is to be warmly congratulated on carrying on with such initial success.

The Committee take this opportunity of thanking all kind friends for the many gifts sent by them, which have been acknowledged from time to time in the Local Press, by the kind permission of the Editor. The following, from some hundreds received during the year,

call for special mention ; A Pantophos lamp for the Operating Theatre given anonymously ; by the use of this lamp no shadows are cast ; it has proved of very great use and comfort to the surgeons. Numerous gifts of fruit and vegetables from Stodham Park Gardens by Colonel A. W. Marden. The re-decoration of the Children's Ward, and numerous gifts by Miss Amey. Fruit and vegetables and 115 dozen eggs by Lady Harrison ; and potatoes from the following Women's Institutes : Steep 211lbs. ; Buriton 348lbs. ; Harting 336lbs. and Rogate 250lbs. This is the first year of such gifts, and the Committee thank those ladies for their kindness in initiating this most useful form of helping the Hospital, and trust it will be repeated. The supply of fresh vegetables throughout the year has been most gratifying.

“ Egg ” Week realised 4,110 eggs and £14 18s. 10d in money ; this, as in former years, paid for the expenses of printing and advertising and the remainder was spent in buying new-laid eggs when required during the year.

“ Pound ” Week produced £42 4s. 8d. in money and 1,595lbs. in kind. After defraying the expenses the sum of £37 4s. 8d. remained, and it is proposed to use some of this to pay for a thorough overhaul of the wireless apparatus, bringing it up to-date. The supervision of this work has kindly been undertaken by Mr. Lunt, who was one of those mainly responsible in raising the fund for its presentation to the Hospital.

Members of the West Sussex Contributory Scheme are finding this of great benefit to them, and payments to the Hospital have more than doubled, with every prospect of further increase in the near future.

In spite of the widespread scarcity of fully-trained nurses, the Matron, Miss Charlton, has continued to

to carry out her duties to the entire satisfaction of the Committee. At times the work has been very heavy, but with her competent and willing staff she has always tackled the situation successfully. During her absence on holiday, Sister Bates has made a very efficient deputy.

The members of the Linen League continue to give valuable assistance in keeping the stock of linen in good order, the repairs being carried out at fortnightly meetings by members of the mending party.

Lastly, the Committee wish to acknowledge the valuable services rendered by the Honorary Medical Staff, by the Honorary Treasurer and Solicitor, by members of the B.R.C.S., and the many others who in various ways are always ready and willing to offer their services to the Hospital.

Rules and Regulations.

1.—The Institution shall be called “THE PETERSFIELD COTTAGE HOSPITAL,” and is provided (except as to the two West Wing Wards, given by Sir Heath Harrison, Bart.) for the benefit of those persons who, when overtaken by sickness or accident, are unable to obtain that accommodation, care and attention which the more affluent can command, and the destitute have by law provided for them.

2.—The advantages of the Hospital shall be limited to persons residing within a radius of eight miles of the Parish Church of Petersfield, except in the case of accidents brought into the Hospital.

3.—No case of the diseases which are commonly called contagious or infectious, or any case which is incurable or mental, or which in the opinion of the Committee would require too protracted treatment, shall be admitted.

4.—The Hospital shall be under the direction of the Committee, who shall consist of the following:—President, Trustees, Vice-Presidents, and 14 elected Members, together with the Honorary Medical Staff, Treasurer and Secretary for the time being. On the occurrence of a vacancy in any of the offices, such vacancy may be filled by the Committee.

5.—The Committee shall elect four Trustees, in whose names the property of the Hospital shall be vested and who shall continue in office until removed by death, by desire to retire, or by a vote of at least two-thirds of the Committee.

6.—**The Members of the Committee** shall consist of 12 Subscribers to the Hospital Funds, two representatives from the Committee of the Petersfield Saturday and Sunday Hospital Fund, and one Member of the Ladies' Committee. Such Members shall be annual Subscribers of at least £1 1s. 0d., and not less than four shall be elected from the Urban area of Petersfield. Four of these 12 shall retire every year in rotation. Retiring members shall be eligible for re-election.

7.—Four Members shall form a quorum at any Meeting of the Committee.

8.—The Committee shall meet at least once in every month for the purpose of transacting all business necessary for the carrying on of the Hospital.

9.—Minutes of the proceedings of all meetings of the Committee and Sub-Committees shall be recorded in a book kept for that purpose, and shall be signed by the Chairman.

The Committee shall have power to appoint sub-Committees for any purpose whatsoever.

10.—An Annual Meeting of Subscribers of 5s. and upwards shall be held in February every year in the Hospital, or some other convenient place, of which due notice shall be given, for the purpose of receiving the Annual Report and Statement of Accounts from the Committee, electing Committee, Officers and Auditor for the ensuing year, and transacting any other business relating to the Hospital.

11.—A Special General Meeting of Subscribers may be summoned at any time by the Honorary Secretary on the written request of not less than ten Subscribers. Seven days' notice at least of such meeting shall be given

and the notice shall express the object for which the same is desired to be held.

12.—Conduct of Meetings. At all Meetings all questions shall be, in the first instance, determined by show of hands ; after which a ballot shall be granted if demanded by five of those present, and the numbers being equal in either case, the Chairman shall have a second or casting vote. Any motion shall be determined by a majority of those present. No order or resolution duly put and carried at any meeting shall be rescinded, annulled or altered without at least one month's notice of the intended recission, annulment, or alteration being given in writing to the Honorary Secretary.

13.—The Hon. Treasurer and Finances. An Hon. Treasurer, either a Member of the Committee or of the staff of a Bank, shall be chosen at the Annual General Meeting of the Subscribers for one year. He shall not pay, or cause to be paid, any draft or order upon him unless it be signed by two members of the Committee, and countersigned by the Honorary Secretary.

14.—The Accounts shall be audited once in every year by the Honorary Auditor.

15.—The annual and other subscriptions and donations received, and the dividends of any invested capital of the Hospital, shall be applied in the discharge of the current expenses, maintenance and support of the Hospital ; and all monies beyond what may be requisite for such purposes shall be invested in any investment authorised by Trustees as the Committee may deem best.

16.—The Medical Staff. The Honorary Medical Staff shall consist of Honorary Consulting Medical Officers and not more than six Honorary Medical

Officers, one Honorary Dental Surgeon and one Honorary Radiologist, and vacancies shall be filled by the Committee as they occur. Honorary Medical Officers can remain on the staff up to the age of 60.

17.—**Ladies' Committee.** In addition to the Committee there shall be a Ladies' Committee of not less than five or more than seven, who will undertake, with the Matron, the supervision of household requisites for the Hospital. This Committee shall meet each month previous to the monthly meeting of the Committee, and shall report through one of its members to the Honorary Secretary any matters of importance.

A record of such meetings shall be kept in a book. Two members shall form a quorum. The Committee shall also elect every month one or two of their Members to act as visitors.

One Member of the Ladies' Committee may be nominated to attend the monthly meeting of the Hospital Committee. The Lady Members shall continue in office, and vacancies shall be filled up by them as they occur.

18.—**The Honorary Secretary.** The Honorary Secretary shall be elected at the Annual General Meeting of Subscribers for one year; and he shall prepare the Annual Balance Sheet and perform such other duties as the Committee may from time to time request him. A paid Assistant Secretary may be appointed and employed, if considered desirable by the Committee.

19.—**The Matron,** who shall be elected by the Committee, shall hold office subject to an agreement to be approved of by that body.

20.—Patients shall be admitted on the recommenda-

tion of any Member of the Medical Staff, or their medical attendant, should the case be suitable.

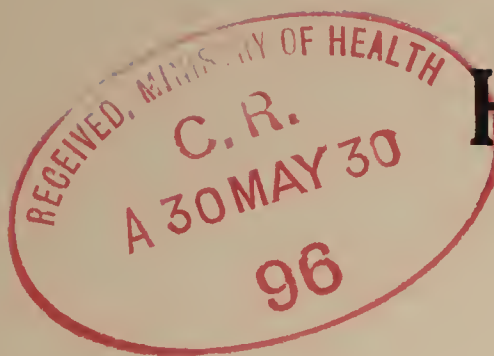

21.—The scales of payment for patients shall be as follows :—

From 10s. per week upwards according to their means. The amount in each case to be decided by the Honorary Secretary and confirmed by the Committee at their next meeting following the admission. For Private patients admitted to the two West Wing Wards, given by Sir Heath Harrison, six guineas per week ; for those admitted to the other single Wards, four guineas per week exclusive of dressings, theatre fee and special nurses.

22.—Alteration of Rules. All the preceding Rules and Regulations may be amended, altered, added to, or rescinded from time to time, as occasion may require, by the general body of subscribers assembled at an Annual or Special Meeting, notice in writing being given to the Honorary Secretary at least a month before, of the substance of the proposed amendment, alteration, addition or recission ; provided always that two-thirds of those present at the Meeting vote for such amendment, alteration, addition or recission.

23.—Visitors to Patients. Visitors may visit patients on Sundays, Wednesdays and Saturdays, from 2 to 4, not more than two visitors to one patient to be in the Ward at the same time. In urgent cases patients may be visited at any time on application to the Matron.

NOTE.—The above Rules were approved and agreed to at a General Meeting of the Subscribers on March 10th, 1925.

HOSPITAL SATURDAY AND SUNDAY FUND.

Balance Sheet and Report, 1929.

Nearly £300 Raised in 1929.

The balance sheet and details of the 1929 collection having been passed by the Petersfield Hospital Saturday and Sunday Fund, we have now the opportunity of publicly announcing the result of all the co-operative efforts made last year under the direction of the organising Secretary, Mr. W. H. Wilkins and his helpers to render assistance to the town's hospital. It is not to be expected that fresh records can be attained year after year, and in 1928, it will be remembered, the Fund received a great uplift by the introduction of a Gift Distribution Scheme and several other extraordinary contributions which were not certainties for the future. The consequence is that though the donation to the Hospital as the outcome of the 1929 collection is within a few pounds of £300, this is very considerably less than the magnificent sum which the Committee had the satisfaction of being in the position to hand over a year ago, viz., £390. That, it should be pointed out, was an increase of nearly £70 over the figure for 1927, so that the position now disclosed must be looked upon as a fine tribute to the work of those who have once again exerted themselves with much devotion to the object in view and to the generous support of the public. To raise £300 is in itself an achievement of which all who had any share in it may well be proud, and we are sure the Hospital authorities must be extremely grateful to receive it, as it means much in their efficient administration of that indispensable institution in the life of the town and district. Comparing the details with those of 1928 it is gratifying to see that the revenue from collecting boxes and church collections shows very little variations. There was a drop of nearly £20 in donations and from collecting lists and the Gift Distribution Scheme though it brought in a very substantial addition of over £75, was not nearly so fruitful a source of income as the previous year when £133 odd was the net result. Then the fact that there was no donation this year from the Petersfield and District Motor Cycle and Light Car Club and no Victoria Band Concert in aid of the Fund or special scheme by the R.A.O.B. accounts for another big deficiency (some £40). These points explain why the total proceeds this year fail to reach the high water mark recorded last time, but all the same the result is one upon which the Committee may be congratulated and it speaks well for the continued interest and support of the public generally. Some items in the collections deserve special mention, such as the fact that the Hospital Nurses raised £30 (an even bigger amount than last year), the Women's Institute and Blue Triangle Club £15, and among individual collectors, the pride of place again belongs to Mr. F. Graziani of the "George" Inn (whose boxes contained £16 6s. 5d. and who for some years past has done extremely valuable work in making collecting boxes without any charge to the Fund), whilst Mr. Steele, of the "Blue Anchor" who collected £4 3s. 6d. comes second once more. Messrs. Robinson and Woodford collected £4 15s. 6d. The balance sheet and full details are appended.

MEMORIAL

TO THE LATE MR. F. W. RUSSELL.

The Provident Medical Association has received in small sums from 224 of its members £6 3s. 11d., and it has been suggested that Subscribers to the Cottage Hospital would like to join in raising some memorial in the Hospital to his memory.

Mr. Russell was associated with the Saturday and Sunday Hospital Fund for over 30 years, and was founder and subsequently Chairman of the Provident Medical Association.

The enclosed Report gives an account of his long and valuable services to the Saturday and Sunday Hospital Fund, and the response of nearly all the adult members of the Provident Medical Association is evidence of the great esteem in which he was held by all those connected with the Association.

Many have expressed a desire to participate in this memorial, and we are confident it will meet with a ready response.

Subscriptions from 1s. to 20s. can be sent to the Secretary of the Cottage Hospital.

As Mr. Russell was so well known in the Town and District *everyone* is invited to join in this memorial, whether Hospital Subscribers or not.

ROBERT G. CROSS,

President of the Cottage Hospital.

F. F. WOOLDRIDGE,

Treasurer of the Provident Medical Association.

W. H. WILKINS,

*Hon. Secretary to the Saturday
and Sunday Hospital Fund.*

The Secretary,

Cottage Hospital,

Petersfield.
